Dear Friends,

We are so grateful for the continued support that ensures the perpetuation of our Okinawan Culture and ultimately of our Uchinanchu heritage. Over half a century ago, the Hawaii United Okinawa Association was created in order to preserve, promote and perpetuate our culture in Hawaii. Through the generosity of one thousand two hundred ninety two individuals, families and organizations, we raised $162,035 as of September 30, 2004. These numbers reflect an increase from last year’s drive and reflects your overwhelming support of the Hawaii United Okinawa Association’s mission of preserving and perpetuating the Okinawan culture in Hawaii.

HUOA is thriving because of the many activities and programs that occur throughout the year. It is the goal of these activities and programs to keep our Okinawan heritage alive. Towards this end, it is important that we maintain the Hawaii Okinawa Center—the home of HUOA.

We have the Teruya Pavilion with the Legacy Ballroom which is the location for many of our local and international concerts and entertainment. There is the Higa Building which serves as our administrative office for HUOA. The Takakura Gardens which features plants found in Okinawa. There is the Issei Garden featuring the Kyuzo Toyama statue and Kin Memorial Boulder and a map symbolizing the relationship between Hawaii and Okinawa. By taking care of our HUOA home, it ensures the success of our programs. We have been able to do this through the generous contributions and donations of our many friends.

Mahalo for your continuing generosity,

Cheryl Okuma-Sepe
President
